CAREER OBJECTIVE

Creative and detail-oriented aspiring 3D Modeling & Multimedia Graphics Designer, passionate about transforming ideas into stunning visuals through modeling, animation, and digital design. Dedicated to continuous learning and delivering innovative, high-quality content

WORK EXPERIENCE

Mar. 10 - present **ITAnalyst - Asset Management**

OkadaManila TigerResort: Leisure and
Entertainment, Inc. (CasinoResort and Hotel)

Agency:OLVRO Co. Ltd PB Com Tower, Makati City

Aspiring 3D Modeling & Multimedia Graphics Designer with a passion for creative design, 3D modeling, and multimedia production. Recently graduated and eager to apply academic learning, creative skills, and technical abilities to real-world projects. Motivated to grow professionally while contributing fresh ideas and high-quality visuals.

- **Technical Troubleshooting:** Assisted in resolving basic software and hardware issues during school projects, including configuring creative software and ensuring smooth workflows.
- **Multimedia Production Skills:** Participated in academic projects involving the setup and operation of drawing tablets, cameras, lighting kits, and audio equipment for video editing and design tasks.
- **Design Software Knowledge:** Developed foundational skills in Adobe Creative Cloud (Photoshop, Illustrator, Premiere Pro, After Effects) and 3D tools like Blender through coursework and personal projects.
- **Creative Asset Organization:** Organized images, video clips, and 3D model files for group assignments, ensuring clear folder structures and easy access for team members.
- **File Labeling & Version Control:** Applied proper file naming conventions and maintained basic version control in collaborative school projects to avoid confusion and improve efficiency.
- **Eagerness to Learn:** Adaptable and quick to learn new tools, techniques, and workflows; actively improving creative and technical skills through online tutorials and personal practice.

2024 **Graphic Designer | Business Development Office (Internship)**

City of San Jose Del Monte of Bulacan

- **Marketing-Ready Outputs:** Deliver edited photos optimized for use across digital platforms (social media, websites, email campaigns) and print materials (banners, flyers, brochures), helping businesses maximize visibility and engagement from their events.
- **Event & Promotional Videography:** Skilled in capturing dynamic video footage during store openings, product launches, and local events. I plan shots strategically to showcase key visual elements such as branding, décor, product displays, and customer interactions.

2019 **IT Assistant | Computer Shop**

- **Hardware Troubleshooting:** Diagnose and repair issues with desktops, laptops, Thin Clients, and peripherals. This includes replacing components such as RAM, hard drives, power supplies, and resolving boot or performance issues.
- **Issue Coordination:** Accurately document issues, assign appropriate follow-up actions, and coordinate with relevant technicians or teams to resolve problems swiftly and effectively.
